TOPIC LIST TO EVIDENCE OF PROGRESS.

Bring topics from the syllabus PDF. Track confidence, revision and practice instead of ticking a chapter once.

Week / review date

Biggest current section bottleneck

Confidence: confident / needs revision / unfamiliar. Use an action and evidence for every row.

Section / topic	Confidence	Revision action / date	Practice / evidence

Patterns from this week's errors / next priority

GradReady's syllabus is a practical checklist, not an official ACER topic-by-topic syllabus or a promise of exam coverage. Include Sections 1 and 2 as well as science.
