REGISTRATION CHECKLIST

Work through the registration process on ACER's website. Check the current cycle before you begin.

- [ ] **Read the current Information Booklet**
  Check deadlines, technical requirements and test-day rules; accept the legal notice when prompted.

- [ ] **Create or sign in to your ACER account**
  Enter your name and date of birth exactly as shown on your accepted photo ID. Use an email you can access.

- [ ] **Choose the sitting and complete payment**
  Select the March or September cycle that fits your application plan; pay using an accepted card.

- [ ] **Schedule Written Communication**
  Book the remote-proctored session and check the technical requirements.

- [ ] **Choose the test-centre session**
  Select your preferred centre, date and AM or PM session for Humanities and Biological Sciences.

- [ ] **Check the confirmation**
  Make sure your name is correct and matches your identification.

- [ ] **Apply for reasonable adjustments if needed**
  Submit through Manage in your ACER account before the standard registration deadline.

- [ ] **Enter ID details and access your ticket**
  Download the Admission Ticket when released, approximately two weeks before the test-centre window.

> Only one registration per person per cycle. This is a process checklist, not a live deadline calendar; confirm availability with ACER.
