SECTION 2:
REVIEW THE THINKING.

Use each essay to diagnose Thought and Content and Organisation and Expression. Choose one weakness for the next session.

Date / prompt reference

Task A or Task B

Theme – five words or fewer

My thesis sentence / where it appears

Paragraph / evidence or reflection	Developed or only named? What needs work?

Time audit

Planning minutes

Writing minutes

Review minutes

Time left at the end

Did both tasks get a fair share?

Top weakness and next drill

Use the page's examiner-question checklist and compare with a marked sample at a similar quality level. Compare structure and depth — never copy its phrasing.
